

UTAH

SEMI-CONTROLLED MOSAICS

Semi-controlled mosaics, available at 1" = 1 mile in 15' quadrangles; or at 2" = 1 mile in 7 1/2' or 15' quadrangles. (For ordering see note 6 below).

Semi-controlled mosaics available at 2" = 1 mile in 7 1/2' quadrangles only. (For ordering see note 6 below)

Semi-controlled mosaics available at 2" = 1 mile in 7 1/2' quadrangles only. (For ordering see note 7 below)

NOTES TO PURCHASERS

- Orders will be filled as expeditiously as possible, but regular Soil Conservation Service needs will be accorded priority.
- When ordering mosaics covering a 15' quadrangle, list each quadrangle by state and number, thus: Arizona 411 or Utah 203, etc.
- When ordering mosaics covering a 7 1/2' quadrangle, list each quadrangle by state, number, and quarter, thus: Colorado 330 NE or New Mexico 229 SW, etc.
- All orders for these mosaics should be accompanied by check, money order or draft, in the exact amount of the order, made payable to ~~The Treasurer of the United States~~ **Soil Conservation Service, USDA**
- Reproductions are sold at the prices shown below. These prices are subject to revision at any time.

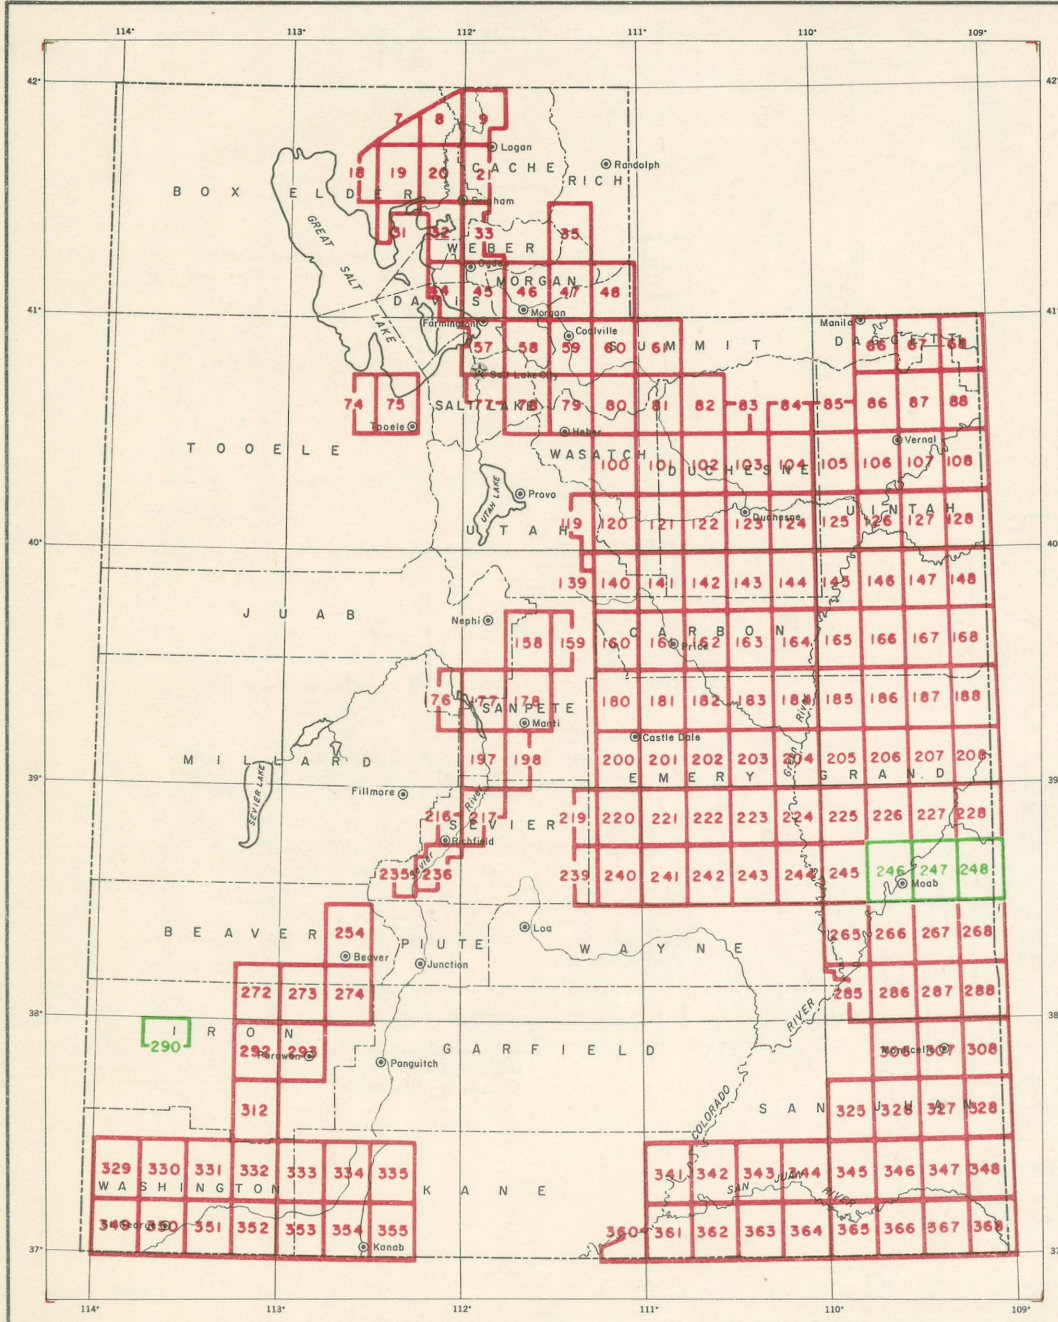

15'	quadrangles at 1" = 1 mile	\$1.10 each
15'	" at 2" = 1 mile	\$5.10 each
7 1/2'	" at 2" = 1 mile	\$1.10 each
