6

Key to Information

1. Organization and Mission Information
2. Date Photography Taken
3. Spot or Aerial Film Can Identifier
4. Scale of Photography
5. Extent and Type of Exposures
(vv=vertical, obl=oblique, lsv=left side vertical, rsv=right side vertical)
6. Degree Square Identification
7. 30 Minute Line
8. Bottom Base Line

Use of Overlays

- Locate area on map at beginning of each degree square set. [Please note that maps were not available for some degree squares.]
- Orient your site location to the 30 minute line and the bottom base line on the map and approximate the location within the degree square.
- The overlays for each degree square are in chronological order from earliest to latest.
- Review each index sheet for photography which covers your approximate area.
- Note the date, spot number, scale, and exposures for the photography you are interested in.
- Request photography using the spot numbers as noted above.
